<sup>1</sup> Road ready with all fluids, fueled with at least 90% of usable tank volume.

<sup>2</sup> Price excludes tax, license, destination and handling charges. Actual price determined by dealer.

<sup>3</sup> The Style HP Package will replace the standard windshield and standard seat with a lower windshield and shorter seat. Ordering the Style HP Package in conjunction with the Passenger Kit will return the standard equipment to the motorcycle and remove the alternate windshield and seat. If ordered in conjunction with the Passenger Kit Low, you'll receive the standard windshield with a low seat.
